A gated, modern and functional residential complex, perfect for everyday life. The development comprises 41 one-, two- and three-bedroom homes, distributed in two low-rise buildings: ground floor, first floor and second floor. There is also an attic floor in one of its portals. All the properties are south-east facing.

Landscaped gardens, a communal outdoor swimming pool and gymnasium within the development itself, as well as a versatile multi-purpose room. The southeast orientation of the homes allows them to benefit from natural light and enjoy the stunning marine environment of the Mediterranean coast.
