It has a front part with a length of 150 meters.

There is also a nearby adjacent identical plot of 10,000 sq.m at the same price.

Geographically located 30 km from the city of Burgas in the direction of the capital Sofia.

All communications are within easy reach. Currently, the construction of the Burgas-Varna bypass road is underway, and due to the fact that there is not a single gas station on this segment, this proposal is very relevant! The price of land in this area will only increase in the near future!
