Leírás:

T1 typology apartment located in the heart of the commercial downtown of Setúbal.

Totally refurbished where modernism and comfort mix with the traditional and the design of Portuguese houses.

Proof of this is the conciliation of the fully equipped modern kitchen, the aluminum windows with double glazing and thermal and acoustic cut, the updated and functional bathroom to be reconciled with the smoothed and varnished solid wood floor, the (original) wooden doors and shutters, the worked (original) baseboards to give a touch of class to the property.

To complete, this fully equipped and furnished "turnkey" project is endowed with a unique decoration, where quality and good taste meet.

"It's a Portuguese house for sure!!!" - REF: APA_003
