On this same floor we find three bedrooms with custom wardrobes and each its bathroom en suite, from the rooms we access the balconies and their stunning views.

On the ground floor we find a large living room with access to a large terrace, two bedrooms with bathrooms en suite, laundry area and a storage room.

Of course in each room has air conditioning. In the garden area we

access the closed garages with room for two cars and motorcycles and a large storage room, outside we have a large garden and in the lowest area of the plot a large number of fruit trees, the whole garden is organized for easy maintenance. Due to its
