Leírás:

Located in a fantastic location on Avenida Zugatzarte, we find this house, which is located in a private urbanization with access by a doorman with a physical porter and among other options in this urbanization with a private pool.

To reach the house we can do it through any of the three elevators that the building has.

Upon entering we receive a generous and spacious hall which gives us access to the rest of the house in a very appropriate way.

First of all we find the majestic living room, this is one of those salons that is necessary to see and feel it, it has about 40 m2 approximately, also having a very nice terrace of about 6 m2 with views to zugatzarte and in an open area to the sea. On the left side of the hall we reach the corridor that distributes the house, first finding the kitchen, fully equipped, which can be accessed through the corresponding service door, with a laundry area, a service room and a laundry room annexed to the kitchen. a bathroom. After the common areas, we arrived at the rest area, with three secondary rooms, of a generous size, in which we currently find a newspaper room, an office and a room (depending on our needs we can give one function or another), for the area of secondary rooms we have a complete bathroom to serve them. Finally we

arrived at the main room, with its own bathroom and its own terrace, which makes our resting space a very complete and comfortable area.

The housing includes three garage plots and a closed storage room next to the plots.

The house has central gas heating.

Totally external, with three orientations. - REF: Las arenas ofi 902160
