### Leírás:

63 sqm large is this second floor apartment with two bedrooms (each with double bed and 43" Smart TV). It offers enough space for up to five people. The centrally placed kitchenette is fully equipped. The large shower room has a modern design with large ceramic tiles in blue-beige and is comfortable. The living area with a comfortable sofa bed is architecturally highlighted by a landing. This apartment also has a very special charm due to the exposed original half-timbered elements, sloping walls and ceilings. There is a small outdoor seating area in front of the apartment entrance.
