Info about villasimius

Located at the south-eastern tip of Sardinia, the village of Villasimius is on the western bank of the Rio Foxi which flows into the Gulf of Carbonara.

Villasimius rises in that splendid coast area which begins just out from Cagliari and goes on up to Porto Corallo, with plenty of beautiful sand beaches and charming rocky bays. Its beaches, crystal-clear sea, and tourist port have in fact made Villasimius one of Sardinia's most famous tourist resorts.

Thanks to its natural morphology, since 1998 Villasimius hosts the Protected Marine Area of Capo Carbonara, a nature park where an extremely precious marine ecosystem is preserved unspoilt. Not least, the lagoon of Notteri, between the village and the southern tip of the coast, is the habitat of many species of waterfowl and offers suggestive scenes for bird-watching enthusiasts.

Beside some historical buildings, such as the Old Fortress and the Tower
