Centrally Located in a Dominican Tourist Town

Far from the big city of Santo Domingo and the lavish resort area of Punta Cana, Monte Cristi is still unknown to international tourists. This beautiful and historic beach town is home to approximately 40,000 friendly and welcoming citizens. Just two hours from the Santiago International Airport (STI) which is a two-hour flight from Miami.

Monte Cristi is home to El Morro National Park, the beautiful Monte Cristi Pier and Malecon, the Jose Marti and Maximo Gomez museum, and the clock tower designed by Gustave Eiffel, of Eiffel Tower fame!

The Monte Cristi Real Estate is located adjacent to the historic Manolo Tavarez Park. Just a few blocks from the center of town, and less than a mile from the beach.
