Fine, good renovated family home not far from a beautiful swimming paradise and thermal bath.

The house offers a lot of space. There is the hall, a large living room, kitchen with pantry, three bedrooms, no less than 3 bathrooms and also a pleasant terrace of no less than 16 m<sup>2</sup>. No shortage of space.

The house is in good order and in excellent condition. In 2010, electricity, water pipes and drains, as well as the roof and the front were renewed.

The plot is 1,067 m<sup>2</sup> and in the garden a garage of no less than 50 m<sup>2</sup> and a storage of 7 m<sup>2</sup>. In addition to the garage, there is also a carport.

Electricity, mains water and gas are available. For drainage there is a connection to the sewerage system. The house is centrally heated (on gas). Connections to telephone and Internet possible.

Zalaszentlászló is a fairly large village in the province of Zala, with 800 inhabitants. Located 6 km from Kehidakustány, known for its beautiful swimming paradise and thermal bath. In less than 15 minutes you are in Hévíz and here of course the famous thermal lake, but also a pleasant centre. A 5 km further you will arrive in Keszthely where it is certainly a great place to stay at the beach of the Balaton, especially in the summer. in Keszthely also many opportunities for

shopping and for your larger purchases. All retail chains such as Tesco, Lidl, Penny, Aldi, Obi, Euronics etc. can be found here. Also a pleasant centre with various restaurants and terraces and of course the beautiful castle. Well worth a visit.

Beautiful home for the holidays, but certainly also where you can live permanently.

Price is in Euro.
