Good house with lots of space and suitable to create guest rooms.

In 2007 the house was fitted with new electricity, water pipes, windows and doors, roof and bathroom. Is in good order and you can move in here quickly.

You enter the house through the terrace and then you are in the living room and from there you enter the bedroom, the kitchen with pantry and the bathroom with a shower, bath and toilet. You can also go to a hall from where you can go to three bedrooms. The house has 2 other entrances and you can enter a room with shower and toilet and a room with a toilet. Beautiful guest rooms.

The plot is 1,375 m² and behind the garden there is a small lake. In the garden an outbuilding for storage.

Facilities such as water, gas and electricity are available. For drainage there is a connection to the sewerage system. The house is centrally heated on a gas boiler. Internet and telephone can be connected.

You will find this property in the village called Vése. In the village itself is a supermarket, a doctor's post a school, etc., Vése is a reasonable village. Located in the region of Nagykanizsa (25 km), Marcali (30 km) and Zalakaros (25 km). The nearest larger town is Böhönye at 8 km. All larger places where you can do great shopping, go to a terrace, or go for diner. In Zalakaros a thermal bath. Even a day
