Leírás:

This stunning luxury villa is girdled by a charming botanic garden with a view over the sea in Liguria, not far from Sanremo; while its park is entirely protected by video surveillance. The property was built in the 1960s and is made up of the main body, which sprawls over roughly 700 m², a 180 m² keeper's lodge, a pool house and two smaller buildings used as warehouses. The park extends over 5,500 m² but there are also 12,500 m² of olive groves and eucalyptus trees, and also 3,500 m² of additional grounds. The garden displays a swimming pool, which is surrounded by high palm trees, it exhibits mosaics and different depths and is also ideal to relax on summer days. The glasshouse where refined orchids used to grow is now a winter garden extending over 120 m². rif.4075 <https://www.lionard.com/elegant-villa-with-swimming-pool-by-the-sea-in-liguria.html>
