Leírás:

This historic hotel for sale, in Montecatini Terme, is located in a private position about twenty minutes walk from the center of the city, famous for its spa complex. For many years, the hotel has been an important accommodation for tourism in the area and currently needs renovation to restore the entire splendor structure that dates back to the 18th century and has a total internal surface of approximately 2.600 sq m spread over four levels. Inside the hotel there are five suites, forty-eight bedrooms and there is the possibility of building further rooms. There is currently a swimming pool and a sauna, but the space available also allows the creation of a very modern spa. All around the villa there is a park inside of which it is possible to walk in the open air, enjoy delicious breakfasts and have a good drink. 0612
