Imorustic has a villa for sale, whose accidental history has designed it for the necessary radical reconstruction in terms of the interior.

Villa with clad stone walls, strategically located in the central heart of a village less than 10 minutes from Castelo Branco and with a wide variety of commercial and social resources.

It is a house with two floors on the ground floor and 1st floor, with an implantation area of 74 m² and 148 m² of gross construction area. Its typology comprises 7 rooms, 3 on the ground floor and 4 on the 1st floor with the added value of having two entrances to two different streets, at the confluence of the main square of the village.

Do you like to reformulate and dream of designing your own home or to invest in the return of profitability? There's that premise here!

Pay us a visit and you will see the plausible alternative on site.
