Leírás:

Nestled in a green setting in an authentic and popular mountain d'Ossau valley in the Pyrenees, at the start of the most beautiful hiking sites and 15 minutes from the ski slopes, this property is an extremely rare property in the area.. Set in a wooded park of more than 1,5 hectares enjoy an exceptional panoramic view of the valley and surrounding mountains from its heated infinity pool. The old barn converted into a residential house has a spacious and warm interior of 155 m² with high-end equipment that can accommodate up to 10 people thanks to its 3 atypical cosy interior cabins, a 15 m² bedroom with terrace to which is added a sofa bed, two bathrooms, and superb terrace with plunging views.

In addition to this old restored sheepfold, there is a small independent house completely renovated with superb comfort of 80 m² of living space including a living room, kitchen, bathroom and two bedrooms. Several possibilities: continue seasonal rental with a very good existing rental income, come and recharge your batteries with your family for the holidays in this haven of peace with high-end comfort, or simply live there. Simply exceptional !!! Ref: 2657
