In the heart of the historic centre, in the oldest part of the town, there is a wonderful stone building (approx. 358 sq.m.) that only needs some renovation to return it to its former glory. It is in a perfect position, the front door is in the pedestrian area of the centre but there is a back door leading into the cellar which can be reached by car. The property is made up of:

Ground floor: two large storerooms and a large cellar that goes the width of the building, marble staircase leading to first floor.

First floor: 3 large receptions one with fireplace, living room with fireplace, kitchen and a small bathroom

Second floor: 3 large double bedrooms and two bathrooms (one with shower, one with bath).

Attic: High roof ideal to make into a study.
