Beecheii is a project of 95 exclusively single family residential plots in total area of 7.5 hectares. Living in Tulum means Freedom Nature and Consciousness. It is simply the perfect place to escape from city life traffic pollution noise and connect with onself and with nature.

LOCATION

Located on 5th Avenue with ample land and surrounded by commercial areas.

TULUM

Tulum is not just a pretty beach . It is a Magical Town full of cultural gastronomic holistic activities and all kinds of entertainment from enjoying a first class culinary experience to enjoying an art and music festival. Nowadays to talk about luxury is to talk about nature.

There is a trade mark that runs through all activities consciousness and connection with nature and with oneself. This makes Tulum a different place to all making it one of the favorite destinations for tourists from all over the world.

Barrio Holistika is an exclusive and low density area making it the favorite of those seeking wellness nature harmony and privacy. The heart of Barrio Holistika is 5 AVENIDA a main street where a variety of restaurants bars and shops coexist sharing wellness culture and the search for a more conscious and healthy life.

Being an incipient region but one that is usually the favorite among inhabitants and visitors of Tulum it has the great advantage of having a much more harmonious aesthetic and homogenous urbanization unlike other areas of the city. Life in harmony with nature.

In addition to being the area chosen to house the first mall in Tulum with supermarkets shops and a cinema in the near future it could become the main access to the city from the New Tulum International Airport.

PASEO BEECHEII

Beecheii Riviera Maya has 7.5 hectares and 95 residential lots which vary from 402 to 804 m . The heart of the project resides in Paseo Beecheii a natural area that was preserved to create community and provide peace while housing all the amenities as an integrated common area where everyone can enjoy and connect with the spaces that surrounds them.

Here it is possible to enjoy an incomparable experience in contact with nature providing tranquility calm and serenity on a daily basis. Based on the concept of Shinrin Yoku or forest therapy the Beecheii Walk consist of wide spaces to walk and enjoy the luxury that nature provides us.

DEVELOPMENT

Beecheii Tulum is the surname of the French scientist who discovered the melipona bee Melipona beecheii . It will have a Central Walk called Paseo Beechii with amenities cenote type pool club house yoga area jungle gym pet park and playground for children. It will be fully fenced and will have controlled access as well as 24 hour security.

Beecheii condos was designed and planned based on how to generate value at the price per m so that those who trust in the project can have Sustainable Guarantees to Generate Their Surplus Value.
