#### Leírás:

New homes to be built close to the lively town of Ciudad Quesada. With numerous shops, supermarkets and restaurateurs, this is without doubt one of the most lively places on the Costa Blanca South. Many people have already found their way to this region and everyone who lives there or has a second residence raves about it. Also, the beaches are actually nearby at barely 10 minutes' drive. Moreover, nearby is also a beautiful nature reserve around the salt lakes of Torre Vieja. These properties are built on one level and also have a very spacious roof terrace. In addition, of course, there is also a private pool at the terrace which is included in the price. Many extras such as solar panels, air conditioning and all lighting are also included in the price. Very nice comfortable homes at an excellent price.
