Leírás:

Very nice villas being built at La Finca Golf resort. La Finca is one of the most beautiful golf resorts on the Costa Blanca and obviously has many other assets besides a stunning 18-hole golf course. For example, there is a magnificent 5* luxury spa hotel, there is a wellness, fitness and sports club as well as tennis and padel courts. There are also several good restaurants at the resort as well as several shops and all necessary amenities. There are also several typical Spanish towns nearby and the beautiful beaches of Guardamar are less than 15 minutes away. These villas are built by a very reputable builder whose excellent quality we can guarantee. Very spacious villas with standard 3 bedrooms, 2 bathrooms, very spacious living room with open kitchen, a huge terrace with large private pool and also a balcony at the master bedroom on the first floor. Very spacious living in luxurious surroundings.
