Pretty stone house to renovate in a small village 5 minutes from the bastide town of Castillonnes (all shops and amenities).

This house with 120 m2 of living space from the beginning of the 20th century has remained in its original condition and requires total renovation but benefits from many advantages including a pleasant garden of over 400m2, a cellar and a garage.

The house itself offers kitchen, living room and 2 bedrooms all with beautiful volumes and high ceilings (23, 36, 21 and 21 m2!) as well as a showerroom upstairs.

Roof maintained and mains drainage.

Attractive price: ideal first time purchase or pied-a-terre/ lock-up-and-leave, to be seen quickly!
