Leírás:

This luxury flat for sale is on the third floor of a prestigious building in Milan's vibrant Navigli district. Spanning 200 sqm, the flat features well-distributed spaces and fine finishes, with a garage and basement cellar included. Accessible by lift, the property combines elegance with convenience. The historic Navigli area, renowned for its charming canals dating back to medieval times, is one of Milan's most picturesque districts. These canals, enhanced by Leonardo da Vinci's innovative lock systems, facilitated the transport of goods. Today, the remaining canals like Naviglio Grande are lively hubs with restaurants, clubs, and art galleries. The flat's building exemplifies Milan's stately architecture with high-quality finishes. Inside, a large, bright living room with wooden floors and a fireplace offers a refined atmosphere, extending to a balcony with pleasant views. The flat includes three bedrooms (one with a balcony), an eat-in kitchen, and two bathrooms, one spacious and marble-clad, the other smaller but fully equipped. Ideal for families or professionals, this flat offers elegant living in Milan's heart, combining comfort, style, and strategic location near major attractions and services.
