#### Leírás:

In the province of Lecco, at a short distance from its lake is situated this farmhouse, which has been built in 1789. This property, can be entered from a private tree-lined road and is located in quaint village of the high Brianza area. This building had once been built and looked from above like the letter L and sprawls over approximately 2,500 m<sup>2</sup>. The central core encompasses two floors and features long and spacious arched walkways overlooking the external garden. A big park extends over one hectare and girdles this farmhouse for sale. This would also be the ideal place to build a wonderful swimming pool and a tennis court for those who love this sport. This property also exhibits a fully-functioning external courtyard that looks enchanting. rif.3554 <https://www.lionard.com/old-farmhouse-for-sale-in-the-high-brianza-area.html>
