Unspoiled Potential: A Development Opportunity in Picturesque Pinheirinho

Nestled amidst the rolling hills of Portugal's Coimbra district lies a remarkable opportunity for development – a 4.4-acre land parcel in Pinheirinho, Oliveira do Hospital. This idyllic location, boasting breathtaking scenery and convenient access to amenities, presents a blank canvas for creating a haven of tranquility or a vibrant community hub.

A Prime Location for Development:

Pinheirinho offers the perfect blend of seclusion and accessibility. Situated at coordinates 40°18'38.1"N 7°58'18.9"W, the land is conveniently close to the charming village itself, where you'll find the welcoming Yellow House (Casa Amarel) – a haven for travelers seeking a peaceful escape (<https://yellowhouse.pt/>). Guests have consistently praised the area's tranquility, making it an ideal location for those seeking a respite from the bustle of city life.

The land's potential for development is further enhanced by its proximity to essential amenities. Just a short five-minute drive away lies the highly-rated George and Dragon Pub, a popular spot for locals and visitors alike (<https://maps.app.goo.gl/f2PT1ahyESbdgVEU6>). The town of Oliveira do Hospital, boasting essential amenities like supermarkets and a gym, is a mere 23-minute drive, ensuring residents have everything they need close at hand. For a wider selection of shopping options, a large shopping mall awaits just one hour away. Even the vibrant capital city of Lisbon is within easy reach, a convenient two-hour and 40-minute drive by car.

A Site Ready for Development:

The land itself offers a developer's dream – a blank canvas prepared for construction. Equipped with vital urban infrastructure such as road access, electricity, water supply, and telecommunications, the transition from vision to reality becomes seamless. No concerns about flooding here; the land boasts ideal conditions for construction, allowing for a smooth development process.

Development Potential with a Focus on Sustainability:

While past planning permission for up to 13 three-storey houses on individual plots (ranging from 180 square meters in size) has expired, it serves as a strong testament to the land's viability for development. This prior approval, granted by the local municipality after thorough examination, underscores the land's suitability for construction projects.

Looking towards the future, this development opportunity presents an exciting chance to create a sustainable community that blends seamlessly with the surrounding natural beauty. Imagine eco-friendly homes nestled amidst verdant landscapes, promoting a healthy lifestyle for residents. Perhaps a charming central plaza could foster a sense of community, while walking paths and green spaces encourage outdoor living.

Invest in Your Vision:

This prime piece of land offers a rare opportunity to shape the future of Pinheirinho. Whether your vision is a collection of luxury villas, a vibrant community of homes, or a mixed-use development, this 4.4-acre parcel provides the perfect foundation for your dream project.
