This new development will be located just off Theprasit Road near the Rompho Complex. It is surrounded by villa developments and nearby condominium developments include The Park Jomtien, ZEN In The Park, Laguna Beach Resort 2 and Dusit Grand Park Resort. In other words, a great location with resort style living.

The complex will consist of 350 units in 3 boutique style 7-storey buildings. There are five different unit configurations which include studios with a size of 31.2 sqm, one-bedroom units with a size of 46.8 sqm, two-bedroom units with a size of 62.8 sqm, uniquely-designed lofts with 6 meter windows on the first floor, and the rooftop garden units on the top floor.

The condominium offers green area, pool with facilities and underground parking. We fully expect this will be a fast selling development.
