"Inspired by the stunning Jasmine Ridge, The Tamarind Villa introduces one of the most contemporary villa designs in the exclusive Royal Westmoreland community. With only 5 properties within this prestigious neighborhood, the villa boasts awe-inspiring sea views, particularly from the first floor living area. The living space is illuminated with natural light, creating a sense of openness, and seamlessly connects to a meticulously planned terrace featuring formal dining, inviting seating, and a barbecue area. Inside, a spacious designer kitchen with a central island and breakfast bar seating is paired with a cozy living area and a convenient office space."

This property features four exquisite en-suite bedrooms, with one on the mezzanine and three on the ground floor. The master suite is beautifully decorated and offers guests the luxury of a walk-in wardrobe, en-suite bathroom, and direct access to the pool deck through large patio doors.

Outside, the pool provides a refreshing retreat and can be accessed from the living space and upstairs terrace via an external staircase. Additionally, the property includes a separate entrance to the breakout room at the front, perfect for families seeking their own relaxation space.

Sea Bridge is set to be completed in late 2023, so seize the opportunity to make this remarkable home yours.

It is £1,950,00.00. USD (Rate is subject to change based on daily rates.)
