Leírás:

Land with 1420 square meters:

It is perfect for those looking for a promising option to invest in agriculture. Its privileged location in the Guarda region provides a favourable environment for the cultivation of rainfed tree crops. Includes well.

Take advantage of this incredible investment opportunity in agriculture and transform your life! We present two rustic plots located in the stunning region of Guarda, ideal for rainfed tree culture. These areas are available for sale, and can be purchased together or separately, according to your specific needs.

The property is strategically located close to the city of Guarda and Vilar Formoso, with the added advantage of being close to the border with Spain. This privileged location allows easy access to international markets, expanding the possibilities of distribution and marketing of cultivated agricultural products.

Don't miss out on this unique opportunity to invest in a new life in agriculture. Whether you're an enterprising farmer, a sustainability enthusiast, or someone looking for a lifestyle change, these rustic plots are the perfect choice.

Contact us today for more information about the sale of this rustic land in Guarda. There is also the possibility of making the joint sale with another rustic land with 4600 square meters.

We look forward to helping you turn your farming dream into reality!
