### Leírás:

Beautiful house directly on the Sieg with a garden and an unobstructed view of the Sieg dike. Modern and high-quality organic solid wood furniture. High-quality fitted kitchen Three floors and basement and garage and outdoor parking space Three furnished bedrooms on the 1st floor - a large double bed and two rooms with single beds. The converted attic with roof terrace with a wonderful view over the Sieg valley. The attic studio is deliberately kept sparse so that various uses are possible: additional sleeping accommodations, work room, studio, etc. The basement is home to the washing machine, Miele dryer and an empty hobby room. In the immediate vicinity there is a playground and hiking and cycling paths along the Sieg. Both Cologne and Bonn are easily accessible from Siegburg. The city center can be reached on foot.
