Leírás:

This charming country-style house, built in 2000 and recently fully renovated, exudes the cozy atmosphere of a typical holiday retreat. The entrance is adorned with a magnificent magnolia tree. The open-plan kitchen, complete with a small wood-burning stove, invites you to spend cozy evenings. From the window, you can enjoy a picturesque view of the private garden, lined with apple, pear, and plum trees. The spacious summer terrace offers an ideal setting for relaxing moments with a view of the garden and pool. You can start your day with breakfast in the dining area while basking in the morning sun and unwind in the evening with the sunset on the west-facing terrace. The nearest tram stop is just a 5-minute walk away, and the city center can be reached with the train in about 20 to 25 minutes. A small shopping complex with a supermarket (Rewe), a drugstore (dm), and a pharmacy is also within 5 minutes on foot.
