About

Tosmur is a quiet, residential area to the East of Alanya and you are close to the Dim River, a famous tourist attraction.

The local Turks have for many years sought refuge by this river when the summer becomes too hot – the reason for this is the temperature of the river is only about 15 degrees. The beautiful scenery of the Taurus mountains, and Mediterranean sea makes a pleasurable experience, to walk along the seaside, or up in the Taurus mountains.

Tosmur also caters for your daily needs, successfully, and will provide you with good transportation towards other districts of Alanya.

Activities

Those who love to walk in nature, or appreciate the natural beauty around them will enjoy Tosmur very much, as you are able to go on long walks in the Taurus mountains and forests. If you would like to take a dip into the Dim river, you can do so safely at the picnic areas along the Dim river, in picturesque, Dimcay, which is north of Tosmur.

During your visit to these picnic areas, you can also feast on Turkish cuisine, whilst sitting on a floating raft above the Dim river, surrounded by nature.

If you would like to do something in the residential area of Tosmur the natural choice would be to head for the beach. Tosmur also has an indoor go-cart track and the spot where the Dim River flows out into the sea is popular for those who enjoy fishing from the beach.

Dimcay, translating to “Dim River” has always been popular amongst both locals and visitors in Alanya. The area along the Dim river is one of outstanding natural beauty, where many cyclists, and nature lovers come to spend their free time.

Shopping

Tosmur will provide you with shops and supermarkets to cater for your everyday life. There are a few well-known Turkish supermarkets in the area, where many people do much of their grocery shopping.
