Leírás:

This is great house on a beautiful street, with lots of parking close by, although you can't park outside the house further down the street is plenty of easy parking and it's close to the lower part of the village. the house has been well looked after and loved, and has been well maintained.

A gorgeous 'san juan' entrance leads you into the house, There are 4/5 bedrooms with the front bedroom over the whole front of the property making it light and airy.

Downstairs you have an entrance sitting room, a bedroom and bathroom to the rear, The kitchen is a galley kitchen but perfectly usable, with a further 4 bedrooms upstairs The house has been cared for , and looked after though-out, from the terrace you can see rooftops and views of the sierras and church.
