Leírás:

This plot of land is located in Vila da Ribeira da Janela, a quiet village with great natural beauty, providing the perfect setting for those looking for quality of life or an investment opportunity. With a total area of 1,452m², the land offers stunning sea views, which further enhances the site's potential, whether for building a personal residence or for local accommodation projects.

The location is one of the great attractions of this property, being strategically situated close to schools, cafés, restaurants and other essential services, which guarantees convenience and ease in everyday life. In addition, the area is known for being quiet, ideal for those looking for tranquillity and contact with nature, without giving up being close to good urban infrastructure.

This plot offers numerous architectural possibilities, from a modern house with large green areas and panoramic views, to a complex of houses for rent.

The pleasant climate and natural beauty of Ribeira da Janela make the property even more attractive for those looking for peace and harmony with the environment.
