Leírás:

This 5,278 m² plot is situated in a privileged location in São Roque and is ideal both for investment and for building your dream villa. The property offers stunning sea views, creating a tranquil and inspiring environment.

The area is highly accessible and practical, with close proximity to the University of Madeira, providing easy access to an academic student community. Nearby, you'll also find a variety of cafés, restaurants and a gas station, providing convenience for everyday life.

This is the perfect space for those looking for a combination of tranquillity, amenities and an outstanding location for a residential or investment project.

Book your visit now and come and see this fantastic plot of land.
