Semi-detached houses spread over 2 floors of around 100m² with a modern and functional design for year-round living with 3 bedrooms and 2 bathrooms, one en-suite, with large open gardens of 93 - 198 m².

The homes feature excellent materials and are designed for year-round living. The large gardens of the homes allow you to build a swimming pool on your own plot

This project is located in Busot, an engaging Mediterranean village nestled in the foothills of the Sierra del Cabeçó d'Or mountains (home to the famous Canalobre Caves), near Alicante and San Juan Playa.

The village has all the amenities needed for everyday life, such as supermarkets, restaurants, banks and schools.

The beaches of El Campello and San Juan can be reached in less than ten minutes, with Benidorm just 25 minutes away. There are two beautiful golf courses in the area: Golf Bonalba and Alicante Golf, while the thermal baths of Aigües de Busot are 10 km away and the city of Alicante is only 20 km away.
