Leírás:

Indulge yourself with this spacious home that's perfect for accommodating an extended family or even two or three families. This original manor house, built in 1877, is equipped with all modern amenities and sits on a 3,600 m² plot just minutes away from the centre of São Brás de Alportel in the Algarve.

The property boasts an expansive 872m² living space, including a ground floor with 7 bedrooms, 2 sitting rooms, 2 kitchens, 8 bathrooms, a garage utility room, and an entrance lobby of 29m². The first floor features a bedroom of 27m², a bathroom, and additional rooms with a total of approximately 171m². There's also a self-contained studio, a workshop of around 23m², and another covered storage area of approximately 33m² on the grounds.

The property comes equipped with gas central heating via radiators, a solar-powered hot water system with electrical backup, mains drainage, mains water supply, air conditioning, and part share in a private water source in addition to mains services.

In addition to being an ideal home for an extended family, the property can easily be divided into two or three units or can serve a variety of commercial purposes, such as a nursing home, business center, or bed and breakfast.
