The apartment has a generous area of 109 m<sup>2</sup>, spread over 3 bedrooms, 2 bathrooms, one of them complete with bathtub, entrance hall with wardrobe, kitchen with pantry, and two balconies, one of which, the rear, is closed with a sunroom.

Organized condominium.

The location is one of the strengths of this apartment, as it is located exactly in the center of Barreiro, with privileged access to the IC21, which connects to the A2 and A33, respectively 25 de Abril and Vasco da Gama bridges, and also access to a transport network that allows you to reach the river terminal to Lisbon very quickly, in 5 minutes, through the TCB or CP.

Still regarding the location, we have a whole panoply of services, commerce, where you can go on foot, to go for example to the Municipal Market, the Barreiro Forum, City Hall and municipal services, or banks, pharmacies and both traditional commerce, but also large commercial surfaces.
