Leírás:

Farm with 9.7 ha, of which 960 m² are urban. In this urban plot there is a house, with 132 m², with 6 rooms, to recover.

The property has a well, which is kept with water throughout the year, thanks to a water mine in another property further north, which has abundant water and which flows into the stream that passes next to this property.

There is a prior request for information, which provides for the expansion of the existing house to a covered area of 300 m². There is also the possibility of increasing the construction area up to 500 m², for an agricultural establishment, or up to 2000 m², for rural tourism.
