Leírás:

If you would like to live in the center of Ribeira Brava and at the same time in a place close to the beach... Then see what we have for you!

Apartment located in a privileged area, in the center of the village of Ribeira Brava. Very well served in terms of shops and services, namely a large supermarket surface, restaurants, pastry shop bakery, pharmacies, educational and health establishments, post office, among others. Well, like public transport. With good accessibility, 2 minutes from the expressway, which allows quick access to the city center of Funchal.

In addition to being a central area, it is considered a quiet place, with a very mild climate. You can also enjoy the beach and swimming pool, located in the village.

This fraction of type T2, ready to move in, has a harmonious practical and functional living dining room, fully furnished, with direct access to the balcony, full of lots of natural light, where you can enjoy moments of leisure, while overlooking the mountain valleys. Two bedrooms, furnished, one of them en suite, with built-in closets. Semi-equipped kitchen with hob, extractor fan and oven, and also a space for laundry.

It has a parking space and a storage room.

I included all the existing real estate, illustrated in the photographs.
