### A Timeless Stone Residence in the Heart of Brittany: Sixt-sur-Aff, France

Discover a captivating blend of rustic charm and modern comfort in this exquisite five-bedroom stone house nestled within a charming hamlet of just a dozen homes in Sixt-sur-Aff, Brittany. Originally a duplex, this residence has been thoughtfully transformed into a spacious and airy single dwelling, offering a unique blend of character and contemporary living.

#### A Symphony of Stone and Light:

The house exudes timeless elegance with its thick stone walls, exposed oak beams, and a spacious layout spanning four levels. Meticulously renovated in 2019, the property boasts modern insulation and double-glazed PVC windows, ensuring year-round comfort while preserving the original character. A recent upgrade in 2024 saw the installation of new exterior shutters, further enhancing the property's aesthetic appeal.

#### Spacious Living and Entertainment:

The lower levels feature two generously proportioned living areas, each with the potential to be transformed into a cozy reading nook or a vibrant entertainment space. Two en-suite bedrooms on this level offer privacy and convenience. While currently inactive, two fireplaces, one at either end of the main floor, offer the potential to add a touch of warmth and ambiance to the living spaces.

#### A Masterpiece of Architectural Design:

The interior is a testament to thoughtful design. Artisan-crafted stairs, crafted from beautifully grained sapele wood, lead to the intermediate level, where a bright artist's studio awaits on one side and a comfortable bedroom with an en-suite bathroom resides on the other. The upper levels boast modern flooring, enhanced by the addition of strategically placed wall windows and seven Velux roof windows, flooding the space with natural light. The top floor culminates in a spacious master suite, complete with an en-suite bathroom and a captivating three-panel stained-glass interior window, adding a touch of artistic flair.

#### A Garden of Delights:

The property sits on a generously sized plot, offering a haven of tranquility. The garden features a profusion of roses, creating a fragrant and visually stunning backdrop. Mature orchard trees, including apple and fig trees, and a grapevine contribute to the property's charm. A Mirabelle plum tree adorns the front garden, while the presence of several large, abundantly flowering hydrangeas adds a touch of vibrant color. The flat expanse of land offers the potential for the installation of a swimming pool, creating a perfect oasis for relaxation and entertainment.
