Property Details – 700,000 US Dollars

A rare opportunity to own a large organic permaculture farm, complete with prepared lots, established infrastructure, and immense potential for Eco-tourism, sustainable development, or community living. It offers a unique lifestyle for Eco-conscious individuals seeking a peaceful retreat, a second home, or a thriving community project. Nestled in Ecuador's bio-diverse Chocó Andino region, this turnkey discreet property offers income-generating possibilities or the chance to create your dream Eco-village. Key Property Features:

- Previously Certified Organic: Established in the 1990s, this maintained farm is overflowing with mature productive fruit orchards (Mangosteen, Cacao, Jackfruit, lots of food, complete list on file), medicinal plants, and abundant construction grade bamboo (*dendrocalamus asper*) as well as tropical rain forest, plenty of it...

- Subdivision Ready: Includes three prepared lots (1-2 hectares each) with underground electricity, water (municipal, wells, springs), high speed internet, and road access. Additional lots can be subdivided from the remaining lots.
- Deeds in hand.
- Abundant Water Sources all around: water is everywhere.
- Birder's paradise. Full list of sighted birds available. Established Infrastructure:
- Bamboo house (120m²), lodge (50m²), three wood cabins (18m² each), and greenhouses.
- Shared trails, natural pools, gardens, and community spaces.

Business Opportunity:

Ideal for Eco-tourism, retreat businesses, or sustainable real estate development. Offer lots with Eco-friendly home options, build an intentional community, or use as a private estate with rental income potential.

Prime Location:

Situated 2.5 hours from Quito, between Pedro Vicente Maldonado and San Miguel De Los Bancos, at an elevation of 800 meters. The property enjoys a unique climate blending the dry Sierra and humid coastal zones, perfect for agriculture and comfortable living.

Turnkey Development Potential:

- The groundwork is laid for an Eco-conscious subdivision or special retreat center.
- Flexible options include selling individual lots or creating bundled lot home packages using sustainable building methods like using the farm's bamboo and Vimob homes.
- Sale includes farm truck, farm tools, furniture, equipment, intellectual property and more.
- Trees and birds count lists, survey, topo, subdivision plans available.
- Open to discussing strategic partnership and creative conscious development ideas apt for these constantly changing times..

ABOUT THE AREA

Calacalí is a rural parish of Quito Canton, Pichincha Province, Ecuador. It is northwest of Casitagua Volcano and southwest of Pululagua Volcano. In the central square of Calacalí there is an equator monument. A similar, larger equator monument is in Ciudad Mitad del Mundo. Pichincha is a volcano-rich province in north-central Ecuador. It's home to Quito, the country's capital with colonial churches like the gilded Iglesia de la Compañía de Jesús and imposing Iglesia de San Francisco. Towering over Quito, the active Pichincha Volcano has trails and a cable car to an overlook. To Quito's east, Cayambe Coca Ecological Reserve has hot springs and the snow-capped Cayambe Volcano.

Pedro Vicente Maldonado is a city in the Pichincha province of Ecuador and the capital of Pedro Vicente Maldonado Canton.
