We have recently taken on a lot of new agents in France who are adding hundreds of new listings every week, there is a delay in translating these listings into English but we are making good progress.

If you want any particular property listing translated or simply want more information then just use the 'Make an Enquiry' button or contact us via the property listing and we will prioritise the translation for you.

Apologies for the triangle overlay on the images, this particular agent is in a very competitive sector and wishes to protect their images from being copied. If you want to see clean images of this listing simply Make an Enquiry and we will respond.

We can also help you with everything to do with buying a house in France including getting a mortgage, organising currency exchange, renovation advice, property surveys, planning permission, French translation, opening a bank account and everything to do with French property sales.

All our prices are quoted as FAI (agency fees included) unless otherwise stated and 'notaire' fees are around 7% (on average) but feel free to ask us for an exact amount on any particular French property for sale you are interested in.

Indeed please feel free to use the 'MAKE AN ENQUIRY' tab above to ask us any questions you have about buying a property in France. Our UK based enquiry office and staff will guide you through the entire buying process step by step from your first contact right up to taking ownership and beyond, all free of charge.
