We are pleased to present to you this wonderful townhouse on a popular community in Lo Marabu, Ciudad Quesada. Just a couple of minutes walk from this property you have a range of bars, restaurants, shops, medical centre, pharmacy and more.

The house has two entrances, one from the road and one from the rear inside the community. On the road directly in front of the property you have plenty of parking, and from here you enter directly into your west facing garden. There is a nice covered terrace here, perfect for enjoying the sunny afternoons.

The terrace leads into the living area, which is spacious, and here you have the staircase to the first floor and a guest toilet. To the rear is the kitchen which is also accesible from the rear community entrance, where you also have a small terrace and access to the communal pool area.

Upstairs there are two double bedrooms both with fitted wardrobes, with the master having a balcony overlooking the front of the property. There is a large family bathroom with a corner bath.

In addition the house has air conditioning for cooling and heating. Do not miss this great opportunity and contact us for your visit today!
