Benissa finca for sale

Parts of this finca or country house in the Lleus area of Benissa are more than a century old with sympathetically restored living accommodation. The property has a traditional "riu-rau," to the front of the property creating a covered terrace complete with a summer kitchen and an authentic bread oven. The traditional wooden main doors of the residence lead into a spacious living and dining area with an open plan kitchen. The ground floor hosts a bedroom and a bathroom. The internal staircase leads to three additional bedrooms and two bathrooms, including a luxurious en-suite. Outdoors, there is an additional bathroom and expansive grounds providing ample space for the potential addition of a pool. Beyond the entrance gate lies a fully fenced plot and to the north side of the property, an area for cultivating vegetables. This beautiful finca, where traditional elegance meets modern comfort in a tranquil Benissa setting has hot and cold air conditioning.
