Descrizione:

An example of elegant living by the sea. This brand new development consisting of seven modern villas is located in Chloraka, in a green setting just 200 m from the sea, where a domestic master plan for breakwater infrastructure and a sandy beach is currently being finalized.

Similar but not identical in terms of architectural lines and style to create an aesthetically appealing impression, each 2-storey villa is based on a spacious 3-bedroom layout and open-plan living area. Step outside onto the patio to relax and cool off in your own private pool with surrounding sunbathing area. The seven villas are set on two levels, granting sea views from the bedrooms on the upper floor.

Having a home here offers privacy and tranquility combined with proximity to all the needs of everyday life and near a number of four- and five-star hotels.
