Descrizione:

2 bedrooms apartment (125 m²) inserted in a prestigious residential condominium in Convento do Beato. The project is born from the meticulous rehabilitation of old industrial spaces, preserving the history and essence of the place.

Located in the former Ensacadores building, this apartment combines the unique character of the industrial past with contemporary design and comfort. Its elegant brick facades stand out in the Beato skyline, reminiscent of the iconic industrial masonry chimneys.

The apartment includes parking and charging point for electric cars.

Situated on Lisbon's stunning waterfront, a connection point between the city center and Parque das Nações, you can enjoy the liveliness of a historic neighborhood, without giving up the convenience of urban life.

The condominium is a 10-minute drive from Lisbon Airport, 12 minutes from Parque das Nações and 15 minutes from Cais do Sodré; as well as a 14m walk from the Beato Creative Hub, a space dedicated to entrepreneurship, technology and creativity.
