Descrizione:

Located in Sandy Lane.

Villa Ca Limbo is located within the Sandy Lane Estate in Barbados. It is built around an expansive swimming pool. The main body of the villa has 2 separate bedroom wings.

The west wing has a double bedroom on the ground floor opening directly onto the garden.

The east wing has a huge Master bedroom and study area on the first floor. These have balconies overlooking the pool on one side and sea views on the other.

On the ground floor of Villa Ca Limbo on the east side are two bedrooms. One with twin beds and the other with a double bed. Both open directly on to the garden. All bedrooms have en suite dressing rooms and bathrooms, air conditioning and ceiling fans.

The living accommodation is a wonderful mix of indoor and outdoor areas. The house makes the most of the cool tradewinds.

The principal living room runs through the middle of the main villa and is flanked on both sides by large terraces. These are ideal for dining or simply relaxing.

The guest cottage at Villa Ca Limbo is built in a circular style. It has its own secluded plunge pool and terrace to relax by. The cantilevered doors, when raised, open the cottage to the pool deck while providing shade at the same time.

The two bedrooms in the guest cottage are air conditioned, have ceiling fans and both own en suite shower rooms. One bedroom has a double bed and the other has twin beds. The guest cottage also features its own fully equipped kitchen.

Ca Limbo is conveniently located for Holetown on Harbin Alleyne Road. It is also close to many of the beautiful west coast beaches and fabulous restaurants and beach bars.
