Descrizione:

This 98 sqm Altbau apartment is located in the charming Pankow district of Berlin, adjacent to the historic Schlosspark. As part of a building under Denkmalschutz (heritage protection), the flat retains many original architectural details, such as high ceilings (4M), large double doors, and original hardwood floors, contributing to its classic and elegant atmosphere. The living area is bathed in natural light, enhanced by large windows framed with white curtains. The interior is a tasteful blend of modern and vintage, featuring a variety of colorful furniture. The apartment also features second room connected through the original double doors, with a mix of functional and decorative elements that maintain the overall eclectic yet harmonious design. Large plants and tasteful lighting fixtures add warmth, while an antique-style Persian rug adds texture and character. With its spacious layout, well-preserved Altbau elements, and modern furnishings, this apartment offers both historic charm and contemporary comfort in one of Berlin's most desirable residential areas.
