### Descrizione:

This 3 bedroom duplex apartment, located in a development under construction, offers a spectacular and unobstructed view of the sea.

The interiors stand out for their spaciousness and elegance, with spaces illuminated by natural light and high quality finishes, carefully thought out.

Floors: Cellular concrete filling system with acoustic blanket, ensuring the minimization of sound transmission.

Ceilings: In plasterboard, treated with a white anti-fungal paint, with built-in LED lighting.

Walls: Covered with engineered stucco and painted with high quality paint, available in several colors. The apartment also has a color video intercom system. On the outside, the building is covered with a durable white paint. The bedrooms have outdoor electric shutters installed, and there is a pre-installation of electric shutters in the living room and kitchen, as well as an alarm system and security cameras.

Garage: Individual box garage for each apartment, with capacity for at least two cars.

Common Area: Outdoor swimming pool that is shared by all residents.
