Descrizione:

You have before you an apartment of 100 m2 built, which has 3 bedrooms, all of more than 11 m2, 2 bathrooms, a large kitchen with clothesline, a living room that acts as the center of the house, around which everything runs, and an entrance hall. It has 2 overhead wardrobes. It is rented unfurnished. Central heating for individual consumption. The building has just renovated its façades, so it will be much more thermally efficient, greatly reducing heating consumption. It has a direct elevator to the garage, where you have a plot that is long, although it has a column that forces you to maneuver a little to store the car. The garage is also being renovated.

The interested party is requested to take out a non-payment insurance policy.
