About The City of Tavira:

Tavira is a small town on the Algarve coast of Portugal. It extends along the Gilão River, which reaches

the sea through the entrances of the lagoons of the Ria Formosa Natural Park.

The Island of Tavira has a long sandy beach and salt pans that attract flamingos, spoons and other canisters.

Tavira is a city of a history very marked by Christian reconquest and some of its landmarks reflect this same history: the medieval castle of Tavira that offers views of the city, the Roman Bridge that crosses the River Gilão, and its churches that hold true treasures.

Casas do Sotavento is a family business, recognized at home and abroad, by customers, employees, investors, for the quality of our actions and our project. Our mission is to provide an easy and peaceful experience. Our concern, to treat everyone as we would like to be treated. - REF: CS-APT-83309I
