Omschrijving:

This historical villa for sale is situated on an elevated position and is girdled by wonderful Tuscan hills in the vicinity of Prato. This three-floored estate is conveniently placed to reach the town centre, and sprawls over 500 m<sup>2</sup>. Its big size allows the estate to be split into two separate residential units with independent access. This completely-refurbished villa echoes the looks of a small castle. This property has been created with meticulous attention to details and features sophisticated materials, high-quality furnishings and original frescoes. A stunning garden sprawling over approximately 1,500 m<sup>2</sup> winds around this villa and also encompasses a lovely infinity swimming pool with panoramic view. rif.3761
