Omschrijving:

At IMORUSTIC Real Estate, you will find a villa located at the confluence of three streets for sale, in a village very close to Castelo Branco.

Location that gives it three different facades. It has separate doors to the ground floor and 1st floor to a street and another entrance door to the back street.

House with generous areas and potential to revitalize the village's grocery store on the ground floor, once existing.

On the 1st floor, there is a house with connection to the ground floor by means of an interior staircase built in masonry. - REF: DP63
